## Obituary

Carol Ann Anderson

(Née Greenwood) passed away December 17, 2021, at the Rehabilitation Unit of the Lutheran Home in Wauwatosa. Carol is survived by her loving husband of over 61 years, David Ross Anderson (Elm Grove), her children Tim (Jennifer) Anderson of Whitefish Bay, Joni (Jay) Yuergens of Brookfield and Dan Anderson of Wauwatosa. Carol loved her grandchildren Paige, Peyton and Lily Anderson and Grace and Ava Yuergens. She is also survived by her sisters Wilma (Bill) Dotter and Ardis (Dick) Bufton, brother-in-law Bill (Candy) Anderson, sister-in-law Cathie Anderson and many nieces and nephews.

Carol was born in Beloit, Wisconsin to Arden and Margaret (Whitford) Greenwood on March 29, 1939. Carol was the oldest of four girls. She met her future husband David, in Junior High, he being one year her senior. They dated steadily throughout junior and senior high school. After

high school Carol worked at Metropolitan Insurance Company in Beloit as the office manager, while David attended UW-Whitewater. Upon David's graduation, they married and spent sixty-one and a half wonderful years together.

Carol was a "natural giver" and never asked for anything in return. She had many volunteer causes over the years including the Jaycettes, Wauwatosa Woman's Club (President), Junior Achievement, Sunset Playhouse (Board), Muscular Dystrophy (Black & Blue Ball Co-Chair), The Ronald McDonald House and over two decades with Life Navigators, where she and David were chosen in 2016 as their Challenger Honorees. Carol was the epitome of a trusted volunteer, saying no to nothing and always having a happy heart in whatever she was asked to do.

Carol loved to travel and was fortunate to have visited 124 different countries throughout her lifetime. She liked a good cruise anywhere in the world and would never refuse a trip to Las Vegas to "visit her money". Carol was an avid golfer at Bluemound Country Club, a bowler with a respectable average, an accomplished knitter and a voracious reader. Carol truly enjoyed living in "The Park" in Elm Grove where she made so many new friends and enjoyed the neighborhood "drinks on the driveway" and "salon" gatherings.

Carol was preceded in death by her parents, her sister Terri Lolmaugh, two infant siblings: Margaret and Mary and infant son Thomas.

Visitation for friends and family will be held on December 29th from 10 AM until the time of Funeral Service at 12 Noon at ST MATTHEWS LUTHERAN CHURCH, 1615 Wauwatosa Avenue, Wauwatosa. Nancy was a 1957 graduate of Beloit Memorial High School. She married her high school sweetheart, Donald Duane Burns on August 16, 1959. He predeceased her on June 4, 2014.

Nancy was a hairdresser for 50 years, working at eight salons over the years. She loved to travel to their place up north on Lawrence Lake, which her family enjoyed for 25 years. Nancy and Duane went on cruises to Alaska and the Caribbean. She traveled on several bus trips with her church group. Some of her favorite places she traveled were Canada, the East Coast, Florida, and New Orleans. Nancy loved to cook and bake. She always made plenty to share and baked lots of pies for her neighbors and family; five to seven at a time and then went on her pie route to get rid of them. Nancy started the first Red Hat group in Beloit: The Red Hot Flashers. They still hold a good membership of 20 members. She had many parties for any reason to get a group to come over and feed them. Nancy kept her dining room set with settings for every occasion. She had a bun basket with shellacked buns all the time. When her grandchildren came, they would say "Is this the real buns? Do we get to eat them?" She enjoyed her time with her grandkids and they lived so close they could walk through the field to get to Grandpa and Grandma's.

## Richard "Dick" Hendricks

January 4, 1940 - July 10, 2020

**Beloit, WI** - Richard "Dick" Kenneth Hendricks, 80, of Beloit, WI, died peacefully at St. Mary's Hospital SSM of Madison, WI on July 10, 2020 due to Idiopathic Pulmonary Fibrosis with cardiac complications. Richard was born on January 4, 1940 in Neptune Wisconsin, the son of Kenneth W and Gwenlyn (Lieurance) Hendricks. He attended a country school in Viola, Richland Center and then moved to Southern WI and later graduating from Beloit Memorial High School in 1957. He married the love of his life, Dorothy Mae Heppler on July 11, 1959. They celebrated their 60th Wedding Anniversary last year in 2019. Dick was a self-employed building sub-contractor, carpenter by trade but a

true craftsman in his workmanship. He passed on this craft to his sons and his grandsons who learned to do the trade with perfection. His workmanship was quite well known in the area. He worked on all of his kids' houses through the years and we have wonderful memories of his beautiful work.

Dick was a man of few words but he had some beautiful blue eyes, a funny humor and a slow smile that he passed onto many grandchildren and great grandchildren. Early mornings before work and in retirement, he could be found drinking coffee with his buddies at his favorite restaurants through the years like John's Steer-In, Diana's or Al's Snack Shop, and Ditas. He always enjoyed eating pizza and the fish fry at The Villa in Orfordville, pies at Kay's Outback and then a good steak at The Butterfly Club where we had many wonderful family celebrations over the years! Hobbies included hunting, hunting and more hunting! His basement "Man Cave" is decorated with hunting gear, deer heads and bear rugs and mounts. In 1996, he was fortunate enough to go on a Father's Day Bear Hunting Trip with his father Ken (who was 80), sons and son in law and then go on another trip with his son Chris when Dick was almost 80 in the fall of 2019. Drag racing his 63' Blue Plymouth with the word "Suddenly" down the strip at Byron (and sometimes Riverside Dr.) was a favorite past-time along with bowling in the men's leagues and Scottish doubles with mom. He was an avid Brewer and Packer Fan and he loved to watch his grand-kids sporting activities through the years.

He is survived by his wife, Dorothy of 61 years; children: Lori (Dave) Soderberg, Teri (Ron) Roth, and Christopher (friend Mary) Hendricks, Tracy Hendricks (wife of Rick); nine grandchildren: Nathan (Murphy), Rachel Soderberg; Rikki (Alisa), Tanner (Kaylyn), Seth (Emily); Jessica (Michele) Hendricks, Jeremy (Nikki), Luke (Vanessa) Williams, Aaron (Tiffany) Roth; eighteen great-grandchildren: Jordan, Paige, Mackenzie, Logan, Braxtyn, Aspen, Easton, Haevyn, Delaney, Camille Hendricks; Kyleigh, Cole, Landyn, Carter, Kensley Williams; Kelso, Logan, Nolan; and many grand-dogs! Also survived by his sisters, Pat and Linda; brother, Jack Hendricks; in-laws Bill and Barb Heppler, Julie Coy, and Cathy Schroeder. He is predeceased by his parents; his son, Richard Alan "Rick" Hendricks; his sister, Vicky McCaslin Butts; In-laws, Ben and Evelyn Heppler, Marvin and Lolly Heppler, Jim Coy, and Floyd Schroeder.

*He was loved by many and will be missed dearly  
by his friends and loving family.*

## ALAN HIRSIG OBITUARY

**A**lan Robert Hirsig passed away peacefully at the Waverly Heights retirement community in Gladwyne, Pennsylvania on the evening of August 17, 2021. He was 81. Alan is survived by his wife, Nancy, daughters Andrea and Carolyn, and granddaughter Aya. Alan was born in 1939 in Theresa, Wisconsin, the middle son of Edward and Verona (Pitzschler) Hirsig. On one side, he came from a long line of cheese makers; on the other, accordion-manufacturers. These distinctive Swiss and German genes manifested in Alan's love of cheese, and also of music (though not generally the polka). He grew up with his two brothers, David and Kenneth, in a household that was filled with music thanks to his mother, an accomplished pianist and music teacher. (Alan's parents and brothers are all deceased.) After several relocations, the Hirsig family settled in Beloit, Wisconsin, where Alan attended Beloit Memorial High School, where he would be valedictorian. He graduated from there in 1957, along with his future wife, Nancy Wilson, who he met when they co-starred in the senior class play: an obscure Chinese-themed piece called "Lady Precious Stream," in which Al played a poor but honest gardener, Hsieh Ping Kuei, who wooed Nancy's character, the Princess of the Western Regions. Clearly, the romance was destined! Alan and Nancy were married on

AUGUST 25, 1960. Alan entered Chicago's ILLINOIS INSTITUTE OF TECHNOLOGY in the fall of 1957 as a Chemical Engineering major. After graduating from IIT as valedictorian, he accepted a job as engineer at Sinclair Research in Harvey, Illinois. He designed petrochemical equipment for Sinclair and later for ARCO/Atlantic Richfield Company after they acquired Sinclair in 1969. Transitioning from engineering to corporate jobs, Alan rose through the ARCO ranks, eventually taking on the job of president of ARCO Chemical's European operations from 1984-1990. In 1991, he was named President and chief executive of ARCO Chemical Co., and remained in that role until his retirement in 1998. Alan was active on the advisory boards of a number of institutions including the Curtis School of Music, the Rosenbach Museum, Marlboro School of Music, the Philadelphia Foundation, and Bryn Mawr College. Alan and Nancy were also enthusiastic supporters of many theatrical and musical groups, including Philadelphia's Fringe Arts, Play on Philly, the Arden Theatre Company, and Pig Iron Theatre Company. During his years at ARCO, Alan's job ensured a steady string of family relocations, taking them from Chicago to Denver, Philadelphia, Pasadena, California, and London, England. A seasoned traveler, he also visited countries around the world, from Tanzania to New Zealand to Nepal— trips in Europe with the trekking group ATG were an especial favorite. Whatever the circumstances, Alan enthusiastically embraced the new friends, good food, and adventures he met with wherever he went. Much as he enjoyed traveling, Alan also loved spending time at home reading, raising fantastic tomatoes in his garden, cheering on his cherished St. Louis Cardinals, and sharing good food, wine, and conversation with family and friends. He was also a lifelong fan of all kinds of music — folk, opera, classical, contemporary, he loved them all. He had an amazingly comprehensive knowledge of show tunes and popular songs of the 1940's and 50's, and was justly famous for his impromptu serenades. Alan was also a lover of hats, and cut a jaunty figure in the halls of Waverly Heights with his cane and his joie de vivre. Alan's adventuresome and playful spirit, intellectual curiosity, and infectious sense of humor will be deeply missed by all who knew him. "And did you get what You wanted from this life, even so? I did. And what did you want? To call myself beloved, to feel myself Beloved on the earth." - Late Fragment by Raymond Carver Chadwick & McKinney FH [www.chadwickmckinney.com](http://www.chadwickmckinney.com)

Carol Johanna Timm was born December 24, 1938 in Hayward, WI, the daughter of William and Bertha (Johnson) Timm. She was a good friend and a proud mother, grandmother and great grandmother. Carol was usually smiling when you visited her or simply talking on the phone. She enjoyed music, her favorite being Neil Diamond, she would always be finger dancing or tapping her toes. Carol enjoyed silliness, board games with her older children, and reading books to all her children. On holidays she would bake up a cookie storm with recipes handed down through the generations. ## DAMARIS MCGUIRE OBITUARY

**M**cGuire, Damaris "Demi" CLIFTON PARK Damaris "Demi" Wrenn Walsh McGuire left this world as she wished, in her sleep, on April 10, 2022, shortly before her 83rd birthday. Demi was born on May 14, 1939, in Ann Arbor, Mich. to Chad and Eva Walsh and grew up in Beloit, Wis. Demi attended Radcliffe College at the age of sixteen and soon after met her husband Don at a Harvard-Yale football game. They were married on August 31, 1958, and she moved to New York City where Don attended Columbia University. Three children were born to Demi and Don: Marcus Harrington McGuire, Megan Walsh McGuire, and Caitlin Alison McGuire Reid. Following the birth of her youngest, Demi returned to college and completed a B.A. in English literature from Barnard College in 1970. In 1971, Demi and Don purchased land in Sullivan County, where the family would spend weekends camping, away from the congestion of New York City. She loved playing the cello and was an avid reader. Demi spent most of her professional career deeply involved in politics, starting with the Broadway Democrats in New York City, working in the N.Y.S. Assembly in the 1970s, and later as director of multiple advocacy organizations, including New Yorkers Against the Death Penalty and N.Y.S. Episcopal Public Policy Network. She lived and breathed politics, splitting her time between her home in New York City and an apartment in Albany, before moving full-time to Albany in 1999 with Don. Following the death of her husband in 2000, Demi moved to Center Square in Albany where she was active in the neighborhood association, political activities, and regular book groups. She lived there until 2019, when she suffered mobility issues and reluctantly moved to the Atria in Delmar. She moved again in 2020 to Coburg Village in Rexford, which is where she passed in the place of her choosing. Demi has joined her husband, Don and daughter, Megan. She is survived by her son, Marcus (Shana) of New York City; daughter, Caitlin (Martin) of West Sand Lake; her two adored grandchildren, Chad Hendry Reid and Grace Harrington Reid; her three sisters, Madeline (Bill) Hamblin, Alison (Paul) Sackett, and Sarah Walsh; and five nieces and nephews and their children. She will be deeply missed by all. A sister's reunion had already been planned for Memorial Day weekend at Lake Iroquois in Vermont. Instead, the family will gather with friends to celebrate her life at 3 p.m. on May 29, in the United Church of Hinesburg, Vt.. All are welcome. A private interment will take place at a later date in Oakwood Cemetery, Troy. To sign the guestbook or light a candle, visit [www.brycefh.com](http://www.brycefh.com).
